

TCCD Southeast Campus Pre-Bid Presentation for New Buildings & Site

Tarrant County College Southeast Campus New Building Additions & Renovations

Project includes new 37,000 square feet building, new 65,000 square feet building, and site improvements

A pre-bid meeting will be conducted on 3/2/2022 for sub-contractors regarding a general introduction to the project, project scopes, and bid processes. It is highly recommended that all subcontractors interested in bidding this project attend. See link below for access to the Zoom link of the pre-bid meeting for those not able to attend in person.

Wednesday, March 2, 2022

3:00pm - 3:45pm | Roundtable event for non-MWBE sub-contractors and vendors to meet potential MWBE-certified trade partners.

4:00pm - 5:00pm | Prebid presentation regarding the GMP-1 bid process for New Building 01 (North) and New Building 07 (South), as well as Sitework.

Event Location:

Ballroom
Tarrant County College Southeast Campus
2100 Southeast Pkwy, Arlington, TX 76018
